- CONSULTATIONS: Teachers are always pleased to speak with parents about their child's progress. If there are any questions or concerns you would like to discuss, please see the receptionist to make an appointment. Please DO NOT speak with a teacher during or between class times, as this takes away from all other students in class.
- OUR SCHOOL YEAR runs from September to the beginning of June. School closures due to inclement weather will follow the Puyallup School District.
- NEWSLETTERS: There is a monthly newsletter available each month to keep parents and families informed on the activities of the school. Don't be left out of vital information, please pick one up each month.
