Termination Guidelines:

- To terminate enrollment, drop a class, or make changes, it must take place either at the end of a month with ALL TUITION PAID IN FULL through the end of that month, even if the student does not attend classes through the month.

Tuition & Fees:

- As Guardian of the registered student, you are responsible for all tuition for each month from September 1st or from the time of enrollment through the recital date, unless the "Drop Form" is given to the office at the above specified times, even if the student does not attend these classes. The \$20.00 registration fee is required to be paid again if a student withdraws at any time and returns thereafter.
- If paid monthly, Tuition is due the first class of the month. If tuition is not received by the 15th of each month \$15.00 late fee will be added to your account. If the tuition is not received by the end of the month, the student will be only allowed to observe class and will not be allowed to participate. We will allow the student to call his/her parent to rectify the situation. After two (2) consecutive months of non-payment, the student cannot enter the class(es) and will be required to repay the \$20.00 registration fee upon return.
